EXdeath7You are obviously doing something to piss them off so I could care less what happens to you. If you are going to go over there and start fighting with them don't expect no consequences then come here and whine about it.

Don't go assuming shit. I haven't done anything to provoke them. I HAD provoked them back during the summer, but then we had a truce in October or November. Since then I haven't done shit to them at all. Hmm, yeah, I SURE am provoking them and then whining about the consequences. :rolleyes:

You, sir, are an idiot.
