BlazerHalo38BlazerAs a beta tester of PlanetSide

I bow down to you oh master!

Mmmmmmkay. I said a beta tester, not the beta tester. I was simply trying to pass on some technical details.

I know there were like 12000 or something and more getting put in soon (or so i heard a while ago) but being one of them IMO is a achievement

It looks amazing but for a month fee is it going to be a huge hit?? i'm not so sure on this.....
