I've noticed a lot of topics about mining on here. So I thought I'd do you all a favor. You can search eBay for "BStorm's Mining Guide" or email me at cackboy26@yahoo.com with any questions or concerns. For all of you who think you know how to mine a base, think again. For 3 easy payments of \$19.99, you can learn how to defend like a pro. Take a look, and enjoy my book.

THIS IS NOT A JOKE
