A Reborn lover?

First of all Angel of Dawn can die in a very miserable death for all I care for being such a manipulative asshole.

Second, I don't see how I'm a Reborn lover seeing as I've only played a very early leaked beta back in the summer of 2003. I'm not a big fan of mods.

Third, I'm paranoid about my computer because I somehow ALWAYS manage to get infested with malware and spyware which can leave tracker cookies and other shit on my computer which I simply don't want there.

Fourth you seem drunk.

Fifth You aren't on my ignore list because it's pretty much useless to me.
