I could tell you, but I won't because:

- A. It will take a while to explain.
- B. It will take a while for you to get it working.
- C. It will take a while for you to download it.
- D. I'm not supposed to discuss things like that here.
- E. And you might have not bought the game.

I suggest you buy a copy if you need one. It costs less than \$4.
