aww come on Cow your makin me all misty eye'd..
fix your damn quote's.. it makes you look sloppy

and just when i thought ACK might be comin to defend me... sigh..

i dont remeber where the definition of noob vs n00b is.. but my understanding is

noob is some one thats new..
and n00b is some one that is NOT new.. but still does stupid things..

so how would me using the word "n00b" to say

Quote:and what was soooo noob about my comment?

be proper?

as i was typin the word noob i knew i'd get called on it if i used "n00b"
you guys made the damn definition up.. atleast i followed it..
