AircraftkillerI guess you haven't seen much work then. Come on, you can look at that model with even a cursory glance and see that the clothes don't fit properly. When was the last time you put on a pair of shorts and they became blurry around the point where they met your legs?

Yeah okay. BEST MODEL EVER!!1

idiot...

When's the last time you went outside and everybody was the same size/shape, just with other shit on
