I thought you had...

deadfiveDell Dimension 3000

Intel Pentium 4 Processor (2.80GHz, 1MB L2 Cache, 533MHz FSB)

256MB Shared* DDR SDRAM

40GB Hard Drive

98MB Integrated Intel Extreme Graphics 2

48x CD-RW

Integrated Audio

256k DSL (Qwest msn, wireless) Getting rid of wireless and going wired.

Where'd you get all the extra money for that new hardware? >
