I think I remember a program that let you select skins out of game, I'll do some research into it for you pal.

Besides, I can stick it on my site too

Here it is:

[http://www.trielite.net/downloads/CnC\\_Renegade\\_Other/Skin\\_Selector\\_1.3.zip](http://www.trielite.net/downloads/CnC_Renegade_Other/Skin_Selector_1.3.zip)

**\*\*Warning, I did not test this file.\*\***
