In a bond movie, you can also find almost the same stuff as the ones on top. It was a bond movie where bond was played by an actor called Timothy...

ah, I found him, Timothy Dalton. Now I don't know wich movie it is, but the story is about people having drugs market trough sea using the kind of stuff you showed. (to help finding the exact movie: Bond has friend called Felix, in this movie: Felix's wife is raped and killed. Felix lose a legs, the bad guys throw felix in a shark's pool.

EDIT: after searching more, it's this movie: License to kill, now I am looking for a pic of the stuff...
