HydraWill it force me to reformat my harddrive after viewing like everything else Reborn puts up for download?

I think so. Even by coming here... The risk that this thread might blows up your computer is at 98%... lol

Well, if you are really stupid with computer, believe me if your comp is fucked, it will be only because of your stupidity.

(just wondering how a fucking video tested with norton can do what you say... lol...
Conservilititlirtlriteltiertletit fucker.)
