Michigan is the Fattest state i believe, i also think its the state with the most smokers, and heart disease. Who woulda thunk it that Being fat and smoking wouldve caused heart disease?

SuperFlyingEngiYes, I know, I'm a homosexual skinhead nazi terrorist for saying these things about Texas. You don't have to remind me.

Whatever you say sunshine

Not to mention we all know Ohio is the Crappiest state. Just having Ohio State University in their state made them the crappiest state. (Im a UofM fan if you can't tell.)
