I voted Deth River.

Wow, free will....it's amazing isn't ACK?

What's wrong with Da Deth telling one another their map is in a poll? I'd be honored if I was in that clan and a map dedicated to us was on the poll and going to be thrown in the next update.

Did you even vote ACK? All I saw was about 8 post's from you whining and complaining as usual.

Just do everyone a favor and...
