LOL wahahahaha !!! i just couldent help myselv laughin !! first off ur misplacin the very essence in where the letters must be in order 2 make the word work !! its not in any way impossible 2 read... u just misplace the very function of it all.. second... u dun have ta use all that grammer shit with , 's if ur tryin 2 write like that.. that way it seems like they forgot 2 teach u sum shit bak in school O_o..

the very thin is not bout havin the least letters as possible.. its bout shorten the word with manners

I like how the sarcasm just bounced off of this guy.
