1. i comes from Germany, sorry for my english, if u got some problems to read it^^ i try my best.....

Its not only at my Pc.

All my friens (1024 * 786 / 1280 * 1024 and more they v got)

Overlaps!

If u want, i make some screenshoots to show u ^^

It must only maked ONE HALF CENTIMETER (or 3 milimeter will be enough too)

maked shorter.

The massages so or so to short, to fill this message bar up,
thats the joke at this "problem".

cya Akai
