---

policepoliceI was told that there is a program for renegade that kicks 56ks, cuz every fuking time I host a fuking server i keeps on fuking laggin which it shouldn't cuz i got 100 KBs upload speed, thats 1 Mb..

so does anyone know about any program that could atomaticly kick the high ping people off of a non-dedicated server, or it could be dedicated..

thanx

All Respects

PEac OuT

you %^&%& n00b

56k WONT lag a server

you ~ISP is shit/you hostiong more than you can handle

learn how hosting works before you start blaming others...
