It gets so sickening in games now. Used to be crying "Aimbot" if they died too often. Now its boot the 56k'ers. Look at all the games on the server list and see "No 56k" or "56k and we boot" etc. Seen witch hunts in games for 56k. " I'm lagging, there must be a 56k here!" Lol sorry folks but it is tiresome hearing it in so many games. What we need are bots to boot the complainers and losers who destroy games by insulting people and think using profanity is cool.
