Ok, hey.

people can only switch teams if the game is unladdered. You switch by pressing Esc and choosing change team. This button will be disabled in laddered games.

chatting to a specific user: this is called paging in Renegade and to do it you press /page nickname message, so to page me you would type /page flyingfox hey

donating: this can only be done on some servers that are using a mod. to donate you type !donate nickname amount, so to donate me 2000 credits because you are very generous you would say !donate flyingfox 2000

You gotta have reanguard to do !donate.
