Duke of NukesBlazerAnother disbeliever. It was on both CNN and FoxNews at 5:00 am this morning. *Prepares another dish*

yes...because CNN and FoxNews have proven time and time again that they aren't biased at all. I still have seen no more "proof" that they have WOMD than proof that the powdered milk at the grocery store is actually anthrax

CNN is for liberals and FOX is leaning mroe towards the right.
