Ever heard of Wal-Mart? That's how rich people screw poor people. Taking bigger profits and paying employees less, and cutting benefits, too. The fact that anyone would work at Wal-Mart attests to how poorly our economy is doing lately. I personally abhor shopping at Wal-Mart.

EDIT:

Just cruised on over to MSNBC.com...

There's another way.

By the way, I don't think you can find a link to the Schiavo autopsy on any of the Big 3 cable news networks. Although on CNN and MSNBC, they have minor links to a story where Jeb Bush wants to launch an investigation into a minor discrepancy in Michael Schiavo's police report filed 15 years ago.
