The only real problem I have with that is you get people who become the "spoiled lottle rich kid". le. The stars of "Growing up Gotti", The ever enjoyable antics of Ms. Hilton, etc.

Now, I'm not saying money is the determining factor here as the Parents are also to blame. But it is an agrivating factor.

Yeah, but that doesn't mean we should take their money and absorb it into the government coffers just because some kids are spoiled...
