SuperFlyingEngi wrote on Tue, 21 June 2005 10:40 Personally, I think you're nuts to want to play video games over spending time with your girlfriend, but if you've just worked 13 hours straight, you should be able to do almost anything you want without people telling you contrary.

I know what you mean, but when my day is done, i just want to sit back and watch tv or something. Obligations like talking on the phone or going to some party 300 miles away (amanda) are just not wanted. I just want to feel at home, i dont want to have to talk about my day, or who i see myself with in 10 years.
