LTKirovyI know thats gross, but when you hear that, its hard not to laugh   But on the serios note, who ever does that is gay

I guess it is kinda funny, but still annoying!!

General HavocMadtone hasn't been around that last 2 days, woner where he is. I bet he will return with about 20 new models to spam on the Mod
Exchange for us   Anyway hope he returns soon.

If your using outlook then a spam filter normally works. Blocking html email reduced 95% of all my spam in my inbox, now i only get the messages I need and the rest is nearly always junk.

_General Havoc

yeah, i wen't on a surfing trip on a a beach i haven't visted yet, only been in australia 6 months, and im working my way around each beach.

and yes, about 20 new models are coming to the Exchange for everyone

Also thanks for the outlook tip!!

bigejoe14He's probably trying to delete the 36 tons of homosexual e-mail. And when it refreshes, he get's it all back.   Poor guy...

lol, your right there!

Sir Phoenixx
So what if someone needs to send you an e-mail that contains html in it? Like / lists or <a> links or <h1> headers, etc.?

0_o ummmmmm.....

tammy101Umm if your at work are you not supposed to be working?

umm, maybe... im not actually sure why i get paid for sitting here surfing the net?

vloktbokyEven so, I must ask. Who uses their work email for public use, like signing up for a public message board?

its not my actually work addy, i just get my mail redirected to work

man that was a long reply with alot of quotes

thanks everyone for showing concern!

you guys are great!
