Yes I beleive he was a threat, yes I beleive they were harboring terrorists, yes I beleive they had WMDs. We have a real government, we don't need an inquiry. Who the hell cares what the reasoning was. We are in Iraq. Iraq has a new government. Everything is peachy. I tell you we'd probably be years ahead of our time if it wasn't for all the whiners. We'd have cured cancer and colonized another planet probably. We're always held back though by everyone bitching and complaining. I am an American citizen. I don't care if their mission statement changed.

You know Toyota was originally a TEXTILE manufacturer? OMG TOYOTA CORPORATION MUST BE HELD ACOUNTABLE! THEY LIED WE GOT GOOD GAS MILEAGE!
