SuperFlyingEngi wrote on Thu, 16 June 2005 01:14The media is trying to crush the story into oblivion as fast as they can while still "reporting" it.

News happens all the time, so I'm not surprised that Schiavo's story went down that WHOPPING 3 headlines (i.e. CNN). As far as I could tell, the whole thing blew over shortly after she died, as with most news items. New stuff happens, new controversies arise, new headlines are created.

So I agree with gbull on this one, the whole situation isn't out of the ordinary.
