fergs wrote on Thu, 07 July 2005 10:17i have just got renalert and i had just uninstalled renegade and lost the 1st disk and when i come to play renalert it says i need a woldata.key? can i download it or will i need to buy renegade again?

You realized you revived an old thread right? I don't think anyone will give you their WOLData.key, its an encrypted version of their serial number.

(P.S. I think you can only get up to 2 people to use the same serial.)
