America may have an obesity problem and shit (problems America-haters just love to rip on us about), but at least we fucking punish pedophiles and child molesters.

yea dude, totally. Michael Jackson surely got what he deserved yea?

Well, considering he didn't molest that child, and the mother was just out for money (again), I'd say he got what he deserved.

Yeah, I saw on "Celebrity Justice" that the woman who sued Jackson had sued several other celebrities/companies for whatever dumb reason, just for money.

So even if Jackson deserves a lynching, you have to consider other facts.
