---

my prayers go out to the victims.

In my opinion i think that the terrorist are winning the war,,its more of them every day looking like normal everyday people, then boom, they kill 5 or more people with a bomb,,,how can you stop terrorism when you can't tell who is a terrorist,,my professor is a arab muslim,,i pray he don't come to school one day and blow it up,,,but this war is not gonna ever end and terrorism will still be here long after im gone.
