deadfive wrote on Fri, 15 July 2005 12:50Agreed. And just play on servers with out the mods. It's just that easy.

Fuck off you dumb bastard. It's rare to find a server without SSAOW these days, and unless it's mentioned in the server name, it's difficult to find one.

If contributing means making stupid shit like drop-weapons, then I'm glad that WarZman is just whining.
