borgcom4 wrote on Tue, 26 July 2005 02:57i need one fds serial number please, for my clan and for the general public on renegade . I did have a friends serial befor but he wanted it back, but when i installed it, it kept on trying to log into the beta server and failing. Whats wrong, is this part of a wrong serial number.

Come on, i've been waiting for a response for one of those serial numbers. Whats taken ya.

come on, the beta server has not been used in AGES, where the heck did you stumble across it anyway
