spazbeast wrote on Sat, 06 August 2005 14:41Im sure its fake because they need his permission to put him on the web dont they?

I am not mocking the condition either i just think its funny when a guy wakes up to see a giant m&m by his bedside and start telling people about a porcupines balls.

Umm, what's so fun about balls? I know it's fake, you can see that clearly.
