It wasnt the fact that he asked me where it was, it was the fact that i was in the middle of performing a Hide-Snipe, AND HE BLOODY WALKED UP TO ME! This, of course, completely threw my hiding out the window, and i got shot at alot after that. And then a tank rolled up. and then i sniped it off and the driver got mad and left. And then i laughed and went to get more ammo, as i was literally down to one bullet. Then i sniped yet another tank driver who was at his base. Then i died via a Flag stealer a short time afterwards.
