OMG OMG, IR THE 1337, I BASH RETARDIN AND R3BARN! I AM FAT 1337!

Yeah, a bad picture taken on my old digital camera is the best thing to use to judge my physique by. I'm only a 2nd degree black belt in taekwondo and an offensive lineman on my high school football team.

It'd be an insult to the handicapped to call you retarded, Renardin.

Offensive linemen are the smartest people on the football team.
