Well. . . Since you got my curiousity up yesterday, I hopped into the closest server I could find. Blood Gulch is currently my best sniping map, while Battle Creek appears to be my best flag-running map. . . Here's the outcome for Blood Gulch on a Snipers Only, No Shields server whose name escapes me:

Not too bad for the third game of my first try. . . Unless you look at the kills the three guys above me were able to rack up.(Keeping in mind that Juggernaut joined half-way through the thirty-minute session) Then yes, I suck. I suck long and hard.
