All I have to say is make up your mind (not you, Joseph Collins, I mean it as a general statement).

I have tried to be stricter in the past, but all I received were complaints. I tried to be lenient, but all I received are complaints. Then there was that one time where I "went off the deep end" and stated that I was going to tighten down even more than I had previously, only to go on vacation the next day and decide that it just wasn't worth it.
