Duke of Nukes! I'm one of your "tree huggers" and guess what. I know the war isn't about oil. He didn't do anything to his own people...the Kurds aren't his people...that's like saying Hitler was killing his own people when he killed the Jewish people in Europe so many others have already responded to this exercise in idiocy but i still feel i must as well. the kurds ARE his people idiot. as are the shiites in the south and the olympic athletes who were tortured after losing, as were the soldiers unfortunate enough to survive any battle lost against iran, as were the political prisoners tortured to death in prisons. duke, i've never thought you were very bright, but this is the first time you've proven to me that you are just fucking stupid :rolleyes: i'm hoping this was only temporary stupidity. if not, please be sure to never reproduce.
