SuperFlyingEngi wrote on Fri, 26 August 2005 21:48I nominate xeonteam for the BHS forums because of his commitment to combating RenGuard, and thus BHS.

It'd be just like that scene from Constantine when Neo tries to send a demon into heaven.
. . .wait. What? You're nominating him because he's working against Blackhand Studios? Maybe I didn't read that right. . . All five times I read it.
