Have you downloaded the video and watched every kill frame by frame? Download it and watch it frame by frame. Pay special attention to when the ammo count gets decremented. If the reticle is red at the same time, then it's a hit. If it's not, then it's a miss. Obviously, if it's a hit in thin air...

I have yet to do it myself because the movies are in wmv format, which has no \*real\* player and no \*real\* editor for free. Fuck you for that, Mr. DarKsidE. Get me an AVI version and I can try it myself.
