The only thing I don't like about it is when snipers think they're the elite of renegade even though sniping is the only thing they know how to do... they just don't realise sniping is 5% of renegade and you aren't a renegade god if you suck at the other 95%.

Now, me. I suck at 65%, so I'm a little higher on the ladder.

Indd: sniping is funny every month a couple of games but AOW >>>> sniping. I just dislike people that do nothing else than snipe in a public AOW-server and they have the "big dick"-thing... I mean, come on...
