Quote:In May 1999, a North Korean military leader launched talks in Pyongyang by verbally attacking former Defense Secretary William Perry, first by calling him the enemy and then threatening to attack the California city where Perry lives, said Sherman, who was there.

The North Korean said if the United States didn't agree with North Korean demands, "he would bring a sea of fire to Palo Alto, Calif.," said Sherman.wtf?

Quote:"The North Koreans came in and cut the legs of the chairs down so that they would be taller than their (American) counterparts,"LOL!

Quote:a senior U.S. official said North Korea claimed to possess nuclear weapons and threatened test, export or use them unless the United States agreed to direct talks.

Threatened? What kind of assholes threaten to use nukes...are they insane?

Quote:Washington Post, in its Thursday editions, quoted a U.S. official as saying that North

Damn they got balls the size of melons!
