I am no longr going to cheat ever! I might not play ren again. ... But is it ok if I still stick around here? Until I find a site to stay @???? Thanks

Keep playing Renegade. It can be a fun game when played properly. Don't cheat. Cheating is not fun and is even less fair. Sticking around here is fine as long as you don't act like a dipshit which you have definitely done in the past. Basically, before posting anything, sit back and think about what you want to say. Type it out, but don't post it yet. Read it over. Does it make sense? Are your words spelled correctly to the best of your knowledge (I'm not saying use the spellcheck feature, since I don't, but at least make an effort to check it yourself)? Read it again. If you can, get someone else to proof-read it. Then sit back and think once more "does it really need, not just a reply, but my reply?".
