That's a shame.

By the way, I hope you realise these are her forums and she can do whatever she wants with them. I have to admit, if you acted like that on a forum where I was the admin, I would have banned you too.

I beleive this quote applies to you:

Quote:I sincerely hope that you have a penchant for Thai ladyboys and that your fellow emo friends find out. I am not a vindictive man but it is my fervent wish that from now until the end of time all your itches are unreachable. And that somebody writes something obscene in weedkiller on your front lawn.

Quit crying like the 12 year old emo you are, or appear to be through your severe lack of grammar, and grow up, for all our sakes.
