Goztow wrote on Sat, 17 September 2005 12:56: Yes, I read the whole topic and all I want to say is that I support BHS in this (that's what this topic was ment for)

By saying that you mean you're going to let them do all the work and leech serials off them once their work is done.

That or you wanted post count +1. Of course, if it is just to get +1 I hope you know that your opinion in that pointless post was not needed. In fact you might aswell have posted "Yes." and be done with it.
