JavaxcxGood luck with that. If they're appropriate, you can post 'em when you're done. Unlike this fucktard (a ClanFUD coined term, kthx) he had inappropriate crap on his site, a mod distributed which was sub-par, and spammed these forums.

Did you think we'd welcome him with open arms?

Fucktard wasn't made by you. I've been saying fucktard before I heard of Computers.
