Quote: Get! Runescape. Get a life!

Umm my brother use to play Runescape. You know how many HOURS you have to put into it to get ANYWHERE? with devoting that many hours to it, how can that be getting a life??? Seriously, I want to know. Thats one reason why he quit it. Besides for a pay to play (for the full game it's pay to play,) game the graphics suck, the level up system sucks, everything about it sucks.
