Joseph Collins wrote on Fri, 23 September 2005 14:07Again, only if they're smart. That's an annoying "glitch," might I add. I don't like the fact that tanks and certain other vehicles can wheel on-the-spot and end up running you over just by turning.

Unfortunatly EA games thought this might be a nice glitch to copy over to BF2 as well, since tanks can turn (almost) on the spot.
