How the fuck is him not having any legs a humorous matter? I'll come to Canada and sever your legs for you. I highly doubt you'd be laughing if that happened. What this kid has done is a great and respectable achievement. You laughing about it only shows how insensitive people can be. Show some respect for this kid. I can't know for sure, but I'll bet you anything that this kid has more courage than you. Having legs is a luxury. Do you realize how physically demanding football is? More people than not, can't cut it in football, and they HAVE legs. This kid not only doesn't have legs, but he's succeeded where many have failed. Show some respect, or go fuck yourself. Your choice.
