Windfight and me were accused right?

@ Homey

U never played us, so shut up and don't say things u can't know.

@ Rikkie

I remember the game. I can just tell u that we never cheat. We don't know any cheats and we didn't kick u. It was a bug. Windfight was kicked, too. That's the truth. After his kick, i also lost the connection to the game. We had problems with WOL. U have to believe us. I think it's very fair of u, that u ask the others about such a bug and not just accuse us like Homey did.

To the server i can just say, that we make it sometimes public. But we can't do it so often, because it's very expensive because of the higher traffic. We are happy, that we can pay thsi server.

Cu Fastnoob.
