AircraftKiller: He knows what he's talking about almost all the time, and is rarely seen here anymore.

DJM: DJM is kind of a smartass, but he's pretty cool.

J Ball: See "DJM", plus Kings Throne.

deadfive: I may dislike him, but I still respect him. I remember when he did practically nothing but spam. I've seen him turn around, so he gained my respect.

Blazer & Crimson: Take a guess.

Rest of BHS: Take a guess.

Warranto: He can defend himself in an argument very well, and knows what he's talking about 80% of the time.

Spoony: He's a never ending pool of Renegade Tactics, this one. Plus he carries himself highly, and can defend himself in an argument, and turn it around against his opponate.

List is longer, but I'll save y'all the hassle of reading it.
