Terminator 101 wrote on Sun, 23 October 2005 02:24 and last but not least, the Resident Evil and Aliens were not a low budget movies, which is why even if they had simple plot, they were still good because of the good special effects.

...

Special Effects: Almost none, just like in most low budget movies (ex. X-men 1)

You don't even know what you're talking about.

The Doom and Xmen movies are high budget compared to Resident Evil and Aliens, Doom and Xmen had double the budget of Resident Evil and triple that of Aliens.

Aliens: \$18 Million

Resident Evil: \$30 Million

Xmen: \$75 Million

Doom: \$70 Million
